GENUINE SPARE PARTS

MSHS maintains an extensive inventory of diesel engine spare parts for the Marine, Offshore, and Power Generation industries. As an authorized parts distributor with direct connections to OEM resources, the **MSHS** parts team is able to efficiently satisfy customers' technical requirements for most major European manufacturers. **MSHS** has access to original manufacturer drawings and data which enables us to quickly and precisely identify needed spare parts and make critical deliveries on time. In conjunction with our integrated freight forwarding service, we are able to execute both domestic and international shipments 24/7.

MSHS also offers industry-leading warranty packages that further protect the customer's investment while providing peace of mind.
